***"When You Develop The Ability To Listen To Negative***

***Comments without Losing Temper Or Confidence, It***

***Means You've Become "Matured And Truly Educated"***

Dearly beloved in Christ,  
Greetings in the name of our Lord and Saviour Jesus Christ.

We have very triumphantly celebrated the Easter and the resurrection of our Lord from dead. The risen Lord appeared to His disciples in many places. It strengthened the disciples in faith. They were empowered to go all over the world with the light of the gospel as witnesses of the risen Christ. The church is called to be witnesses of the risen Christ. The divine spirit and energy that we have acquired through the fifty days of fasting will give us strength for our subsequent lives. The Lord's death on the cross brought the disciples and the community of faith into severe pain and fear. The appearance and presence of Jesus Christ instilled much courage in their life experiences, which were affected by the fear of death and despair. Because of that, it was possible to testify to the Lord with greater strength and strive for the Kingdom of God. The secret behind the new life they received is that they were willing to pray together and remain in fellowship. The message of peace given by the wounded hands is a message of peace available to the whole world.

The scripture reminds us that the Lord walked together with the disciples on their journey to Emmaus. "Walk together" means that the risen Lord has become a part of their lives. The whole world is experiencing chaos and unrest today. A man who has lost his peace takes a different approach to comfort. But none of these often provide a permanent solution and the ultimate joy and peace comes only from the Lord. A church and its people are Lord's own possession. It is seen that God moved and dwelt with the Israelites even before the construction of the Jerusalem Temple. They could experience the presence of God in the tabernacle during their entire journey through desert. Thus tabernacle become the first church, in which people shared their worries and found consolation.

Thank you for your cooperation in the ministry of the parish. Everyone should strive to serve the parish more energetically. Remember each day is a God's gift to us. Accept the following principles for success in our personal and social life.

**TAKE GOD SERIOUSLY. TAKE OUR LIFE SERIOUSLY. TAKE OUR VISION SERIOUSLY.**

With love and prayer  
Rev. Santosh Thomas
